IX. Unfinished Business

1. Discussion on Multiple Pavilion Rental and Fee Increase

Mrs. Hartranft- At Council's request, I contacted other neighboring municipalities. All that responded advised against having multiple rentals. Mrs. Hartranft also has a note in the 2019 budget file to review pavilion rental costs.

2. Discussion on Chapter 430, Junked and Abandoned Vehicles

Mr. Corriere- Mr. Russo can cite vehicles for being a nuisance but must show harm. He also has the option of using the property maintenance code. There is no requirement to prove harm and he is regulating the property versus the actual vehicle. Since the Borough was allowing permits, those that have the permit cannot be cited if the permit is valid. Any changes would require an ordinance change.

Motion made by Earl Hill, seconded by James Hill, to advertise an ordinance to rescind the section of permit provisions on junked and abandoned vehicles. Motion carried 7-0.

Chief Shupp- I would like to see a section regulating the parking on front lawns similar to Bethlehem City. If we add language from the Vehicle Code, Mr. Russo could give them a number of days to have the vehicle removed or it will be turned over to the police for a salver to come and remove it.

Motion made by Philip Weber, seconded by Herbert Payung, to add the Vehicle Code language to the ordinance and include the salvage for non-compliance remedy. Motion carried 7-0.

X. New Business

Mrs. Hartranft- Lehigh Valley Animal Crematory has made application to DEP Air Quality for a pet crematory. As part of the application process, a 30 day public comment period is available. The use is permitted as a Condition Use, which will require site plan submission and a Conditional Use Hearing.

3. Authorizing Borough Manager to Pursue Grant Funding for Comprehensive Plan Update.

Mr. Rieger- The Saucon Valley Partnership is recommending that the Managers of Hellertown and Lower Saucon pursue grant funding to pay for the Comprehensive Plan Update. The cost is expected to be between \$25,000.00-\$30,000.00.

Motion made by Philip Weber, seconded by Earl Hill, to authorize Mrs. Hartranft to pursue grant funding toward the Comprehensive Plan Update. Motion carried 7-0.

4. Approval of 2018 Capital Fund Expenditure for Police Department Server and Licenses- Council Action

Chief Shupp- The Police Department was notified that as of January 1, 2019, Microsoft will no longer support our current server. We are looking to purchase a hybrid server which has more than three times our current storage and is also adaptable to work with car and body cameras if we ever get them. I budgeted \$10,000.00 toward the project. We received a quote of \$25,588.00. I would ask Council to move the project up a year. Alura wouldn't start the project until probably October and it will take approximately two months to complete.

Motion made by James Hill, seconded by Earl Hill, to move the funds to the 2018 Budget. Motion carried 7-0.

5. Acknowledgement of Hellertown Borough Authority's Grant Application for Apple Street Tank Improvements- Council Action

Mrs. Hartranft- The Borough Authority is applying to the DEP for approval to do improvements at the Apple Street tank. The Governing Body for the Authority needs notification. It is typically supposed to go before the Planning Commission but they won't be meeting in time.

HELLERTOWN POLICE DEPARTMENT

YEARLY REPORT FOR 2017

This is the yearly report for the Hellertown Police Department for 2017

In 2017 the police department received 4499 calls for service, averaging approximately 13 calls per day. This is about the same number of calls received in 2016. We did receive 8 Sexual Assault, 39 Theft, 95 Domestic/Assault, 18 Fraud, 2 Burglary, 1 Robbery, 8 Firearms/Weapons, 1 Prostitution and 1 Motor Vehicle Theft calls. We had 134 traffic collisions and wrote 1,545 citations. All of these numbers have become normal for us in the past few years. We did see a slight increase in Domestic Assaults and Sex Offenses. We also saw a 13% decrease in traffic collision along with a 33% increase in citations, I believe these numbers go hand in hand. We did however see a decrease of 19% in our theft calls, this is the second year in a row we have seen a decrease in these calls. It is difficult to pinpoint an exact reason for the decrease, but I would contribute some of it to the fact that we closed, by arrest, 77% of our theft calls last year. I do feel that people who commit these types of crimes tend to stay away from areas where there is a good likelihood they will be caught. Our guys did a fantastic job of making arrests in theft cases for 2017, 77% is almost double the national average.

The Police Department filed 349 charges in 2017. This is almost the exact same number of charges filed in 2016. We filed 47 DUI, 148 Narcotics, 11 Possession with the Intent to Deliver Narcotics, 16 Assault, 29 Theft, 5 Fraud/Forgery, 3 Sexual Assault, 4 Burglary, 1 Prostitution, 1 Robbery, 1 Witness Intimidation and 8 Firearms/Weapons related charges in 2017. We did see an increase in the number of firearms related charges, which is always troublesome. Our number of DUI arrests decreased 24%, our Narcotics Possession charges stayed exactly the same and we had 11 PWI charges in 2017, this is an 83% increase in PWI arrests. As everyone reads in the paper narcotics are becoming rampant everywhere. We do a great job in our fight against the increase, especially in the area of PWI. People charged with PWI are basically the people in our town who sell drugs. PWI cases are lengthy and take a lot of man hours to investigate. These cases can span across our county as well as other counties and even states. We do utilize our county task force when investigating some of these cases simply because, in conjunction with HPD, it gives us greater manpower. In 2017 we did a great job on all of our PWI cases and we are working hard to keep these people out of our town.

In 2017 we conducted multiple tours of our department and equipment for local organizations such as the boy scouts and girl scouts, Sgt. Johnston installed 22 car seats for residents, we participated in Catholic Schools week by attending lunch with the kids at St. Theresa's, we had our annual tent at Community Day, did our normal participation in the Halloween Parade and our vehicle and bike patrol officers were out during trick or treat handing out glow necklaces and bracelets to kids. We also teamed up with 7-11 and participated Operation Chill, where officers hand out coupons for free slurpee's to kids who are observed doing something good.

Once again we had many officers attend trainings in 2017. Training is always a point of emphasis so officers can continuously learn new ways to police. All of our officers attended our yearly mandatory updates through MPOETC, our yearly defensive tactics training and our, twice a year, firearms qualifications and training. Detective Dattilio and Corporal Donato are our firearms instructors and have been doing an excellent job. We have seen our average qualification scores increase dramatically over the past few years. We have also been utilizing our Force on Force simunitions weapons, that we bought through a casino grant, during defensive tactics training. The officers have nothing but good things to say about the weapons, specifically how realistic they are. All officers also recertified in SFST and DUI checkpoint training. Sergeant Johnston, Corporal Donato, Detective Dattilio and myself attended and advanced media training at the Northeast Regional Counter Terrorism Task Force Center. Officer Piotrowski attended state inspection training. Officer Fischer recertified as a drug recognition expert and officer Andree recertified as our CLEAN/TAC officer. Officer Fischer was recognized as a top 10 municipal DRE by the State of Pennsylvania and attended a DRE conference in Maryland in which he recognized. Officer Fouts was certified in SFST's and Officers Andree and Fragano were certified in weights and measures. This is our second year carrying NARCAN. We used NARCAN 7 times in 2017 and 6 uses were successful.

We received multiple grants in 2017. We received our casino grant for the two officers, a ballistic vest grant for bullet proof vests, a click-it-or-ticket grant, an aggressive driving grant and a grant to specifically target juveniles driving without seat belts, a grant to target car seat usage and a grant for a mobile fingerprint identification system.

We did our Junked and Abandoned vehicle initiative again in 2017 and found some vehicles not in compliance but as a whole residents are doing a good job inspecting and registering their vehicles. The new Ordinance is something we will be working on in 2018. Once again we did an outstanding job investigating and prosecuting PWI cases in the borough. Detective Dattilio did an outstanding job investigating a sexual assault case that has recently hit the papers, Officer Fischer made a great arrest in a fraud case he worked that was very elaborate. As a whole the guys did a great job 2017 working on and solving cases. Everything went pretty well in 2017 and we will be striving to make Hellertown a safer community in 2018!

In January all officers are completing mandatory update training for M.P.O.E.T.C. Our calls were slightly lower than last January but our number of arrests were significantly higher than last year.
