Ms. O'Donnell- The Light-Up Committee would like to suggest moving Light-Up Night to Dimmick Park. We would like to add more vendors and provide adult beverages. The event would be November 23, 2018.

2. Diane Shruntz and Joe Rasich- Request for Waiver of Sidewalk Installation at 1702 Clauser Street.

Mr. Russo- The perspective buyers of 1702 Clauser are looking for a waiver of installation of sidewalks on the entire frontage of the property. There are no curbs or sidewalks currently. Freedom Landscaping was required to put sidewalk in next to this property.

Mrs. Hartranft- I would recommend installing the sidewalk in front of the home and to defer the rest until the rest of the road is improved.

Motion made by Philip Weber, seconded by Kevin Lott, that owner is to install sidewalk, curb and handicap ramp on the west side of Clauser Street from the existing sidewalk at the south property line to the south side of Kichline Street. Council deferred curb and sidewalk along the west side of Clauser Street from the south side of Kichline Street to Hemlock Street. The Borough will mark out the paved cartway for Clauser Street from the south side of Kichline Street to Hemlock Street so the owner can pave the road to Borough specifications. Ms. Shruntz and Mr. Rasich will provide the Borough an escrow of \$5,000.00. Motion carried 6-0.

B. Agenda Items- None

C. Non-agenda Items

Bob Hero, 520 Main Street- The property at 520 Main Street has been sold and I will be closing the business after 54 years. He thanked Council for all the years of support.

Gary Hillegass, 1690 Riegel Street- I am having issues with people staying at the hotel across the street and parking in front of our home. We are not the only residents having an issue. We are continuously picking up litter in our yards. I spoke with the hotel manager and was told that it is a public street.

Mr. Rieger recommending speaking with the City of Bethlehem about the issue and to also look into creating a draft ordinance regarding adding permitted/zoned parking at the north end of town.

VII. Reports from Elected Officials

A. President

Mr. Rieger had nothing to report.

B. Mayor

Mayor Heintzelman- I was contacted about the gravel issue on Front Street and was hoping to have our street sweeper go and try to clean it up.

Mayor Heintzelman- There are two Crime Watch meetings coming up on September 18 and 19, 2018.

The Community Day Softball Tournament went well. Hellertown won the tournament and the donation went to Hellertown Historical Society.

I would like to propose an Adopt a Plant program to spell Hellertown in the grass area in front of the bandshell. The total cost would be \$5,700.00. The work would not be completed unless we receive donations for all of the required plants. The work will be completed by a local landscaper.

Motion made by Earl Hill, seconded by James Hill, to proceed with the project. Motion carried 6-0.

C. Council- None

2. Discussion on Borough Noise Ordinance

Mrs. Hartranft- Per Council's request, I obtained Bethlehem's and Easton's noise ordinance. In both cases, they are separate from the nuisance ordinance and require meters to regulate.

Mr. Rieger did receive recordings of the noise from the property owners at 660 Main Street and will forward onto Council.

Chief Shupp- Currently, the excessive noise is at the police discretion. In prior revisions, Council removed the decimal reading requirements. I would recommend that it not be made a separate ordinance.

Motion made by Earl Hill, seconded by Kevin Lott, to adopt Ordinance 825 with the additional of the license requirement. Motion carried 6-0.

XI Announcements- None

XII. Interview Candidates to Fill Council Vacancy

1. Andrew Hughes

Mr. Hughes moved to Hellertown two years ago. He recently switched jobs and has more time to devote to the community. To him, the biggest challenge facing Hellertown is funding and getting money into the community. He wouldn't be sure at this point if he

would run for election at the end of this term but would fill this term to its conclusion.

2. Michael McKenna

Mr. McKenna has lived in Hellertown for 24 years. His wife will be finishing her licensing classes, which is why he didn't run for re-election, so he will have time to give to Borough Council. He is currently the Assistant Treasurer of the Hellertown Borough Authority and the Vice-President of the Dewey Fire Company and was a past Borough Councillor. To him, the biggest challenges facing Borough Council are pedestrian safety and stormwater management. There are good plans in place for pedestrian safety but would like to continue with the stormwater management. Mr. McKenna indicated that if he was chosen, he would run for re-election at the end of this term.

3. Larry O'Donnell

Mr. O'Donnell moved to Hellertown about 7 years ago and is involved with the Friends of the Hellertown Area Library as the President of the organization. He describes himself as very organized and structured. He feels that he has the time to invest into Borough Council and would resign his post on the Friends of the Hellertown Area Library Board should he be chosen. The biggest issue he sees facing Hellertown is that there is a bit of a generation gap and that more technology should be used to engage the younger generation.

4. Richard Montalvo

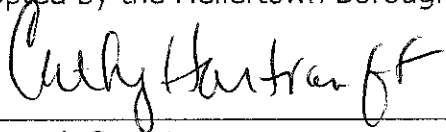

Mr. Montalvo withdrew his name from contention.

XII. Executive Session- None

XIII. Adjournment

Motion made by Kevin Lott, seconded by Gil Stauffer, to adjourn the meeting at 9:12 p.m. Motion carried 6-0.

Adopted by the Hellertown Borough Council this 20th Day of August 2018.
