B. Agenda Items- None

C. Non-agenda Items

Robert Hero, 520 Main Street, announced that this would be his final council meeting. He thanked Council for their support.

Bill Broun, 205 East Saucon Street- The area around the former Reinhard School is a very quiet residential neighborhood. Council now wants to change that by building a "truck yard" in the middle of the neighborhood. The plant barriers will not help the residents of the neighborhood. Residents were not given enough notice that this project is in the works.

Casey Koch, 401 Willow Road- I work for the Borough and live in the Borough. I understand that this is an important issue for the residents in that area but this facility will help us with efficiency and productivity.

Carol Savitske, 429 Delaware Avenue- This project was hastily proposed. Council should think of the safety of the children and senior citizens that use the Community Center. The trucks are too big to be travelling on Saucon Street. This building will change the whole character of the neighborhood and devalue the properties. Mrs. Savitske offered the alternative of the grist mill area. Council informed her that the Grist Mill property is Project 70, purchased with federal funds, and needs to remain open space.

Ty Berrada, 201 East Saucon Street- I do not see this as an improvement to the town. This area is residential and will severely devalue homes. Please consider moving it to another area.

Mr. Rieger- Between 15-20 years ago, the property and building were deeded to the Borough of Hellertown with a deed restriction that it be used for municipal use. The original plan was to use the building as a municipal complex with administration, police, fire, and public works. We did lease the building for a time to Second Chance Academy. The

building became dilapidated. The Borough tore down the building, removed the tanks, conducted environmental remediation, and graded the property. In 2014, a space needs study was completed by Barry Isett & Associates to better understand the needs of administration, police and public works. There were more pressing items at that time and the building situation was put on hold. In 2017, Council began looking at other properties to purchase. Per the Sunshine Act, those properties do not need to be disclosed. Council held a Special Meeting on September 11, 2018, to present and discuss a conceptual plan for a public works facility at the Reinhard property. The conceptual plan was developed to determine estimated cost and to submit grant applications. The project will not happen without any grant funding. The Borough is under no deadline to revert the property back to the school district. The Public Works Department's typical hours are from 7:00 a.m. to 3:30 p.m. The garages typically are not used outside those hours except for snow removal. The salt shed will remain down behind Moll Monuments.

Mr. Broun recommended outsourcing the Public Works Department.

Mr. Rieger- The second phase to this project would be to correct deficiencies in the Police Department. The station will need to be brought up to current standards for police buildings. The garages that are currently the Public Works garages will be remodeled and used for police vehicles. An addition will be added to the back of the Borough Hall building where the police vehicles are currently parked.

Annmarie Drury, 205 East Saucon Street, expressed her displeasure with putting a "truck yard" in the residential area.

Maureen Valente, 314 Northampton Street, inquired where all the equipment is currently stored. Mr. Rieger noted that the Public Works has equipment currently in the stables located at Borough Hall, Tumminello Park, and at the grist mill. We are having issues with the salt freezing in the trucks because the trucks are in bays without heat and parked on dirt floors. The bucket truck has to sit outside because it doesn't fit in any of the buildings.

Gerry Savitske, 429 Delaware Avenue, feels like the Borough will get what it wants and that the residents will be the collateral damage.

Mr. Smith gave a review of the conceptual plan for the audience.

Mr. Lott urged residents to come by Borough Hall in the morning. At most, it's seven vehicles leaving in the morning but it is usually a combination of trucks and lawn mowers. Council has looked at many options. I would much rather pursue this avenue and see if we get any funding than wait and have the state force us to upgrade the police department which would require a tax increase.

Mr. Weber- I am a life-long resident of the Borough and have always focused on what is good for the town. We don't have anywhere else to go. The taxes for purchase of land would break people.

Mayor Heintzelman- I felt that people don't have the entire picture on the project. The Police Department needs to be upgraded to meet current standards. With all departments on this campus, we don't have room to expand the police department.

Mr. McKenna- I am a 26 year resident. I have been watching the Public Works struggle. This was not done under the radar. There is an area that will hold the building and we have to take action on that place. He urged residents to give the Borough time to pursue this and believe that we want to do the right thing.

Mr. James Hill- The Borough only has so many places to put a building. We have extensively looked at other properties.

Mr. Earl Hill- I have lived in Hellertown over 50 years. I hear the resident's complaints but I also know how much it will cost if we have to purchase land. None of us wants to pay more in taxes.

Motion made by Michael McKenna, seconded by Earl Hill, to approve the budget meeting dates and to advertise. Motion carried 7-0.

9. Appointment to Fill Zoning Hearing Board Vacancy, Term Expiring 12/19- Council Action

Mr. Rieger- With Mr. McKenna's appointment to Council, it created an automatic vacancy on the Zoning Hearing Board. A few candidates that Council had previously interviewed have expressed interest in the position.

Motion made by Gil Stauffer, seconded by James Hill, to appoint Andrew Hughes to the Zoning Hearing Board. Mr. Hughes accepted the appointment. Motion carried 7-0.

10. Approval of Special Event Request for Race in the Cinder Banks, September 26, 2018, from 6:00 p.m. to 9:00 p.m.- Council Action

11. Approval of Boy Scout Fall Event, October 20-21, 2018 at Lower Gristmill Fields- Council Action

Motion made by Michael McKenna, seconded by Philip Weber, to approve the Boy Scout Fall Event. Motion carried 7-0.

12. Approval of Request for Sponsorship of \$100.00 for American Legion Gold Tournament- Council Action

Mr. Rieger- Last year, we approved a \$100 donation but the event was cancelled. We do have money in the donation fund to cover the cost of the request.

Motion made by Philip Weber, seconded Gil Stauffer, to approve the donation request for the American Legion Golf Tournament. Motion carried 7-0.

13. Award Meyer Plow Bid to Robert Greenland in the Amount of \$2,361.00- Council Action

Motion made by Earl Hill, seconded by James Hill, to award bid to Robert Greenland in the amount \$2,361.00. Motion carried 7-0.

14. Christmas Tree Discussion

Mr. Rieger- Council had authorized the moving of Light-Up-Night to Dimmick Park. We are not going to be able to use the donated tree as originally thought. The cost to plant a live tree in the park will be between \$1,400.00 and \$2,200.00 depending on the size. An artificial, pre-lit tree from Rileigh's would be \$4,200.00. We are figuring that the additional decorations needed for the park will be approximately an additional \$5,000.00. There is \$3,858.00 in the BBRP fund and \$332.00 left in the memorial fund.

Mr. Henshaw- Staff was up at the parking looking for a place to plant the tree. We are recommending planting the tree in the grass strip across from the flag pole in line with the bandshell.

Mayor Heintzelman left the meeting at 8:32 p.m.

Mr. Rieger suggested taking up some of the concrete and plating the tree in front of the flagpole.

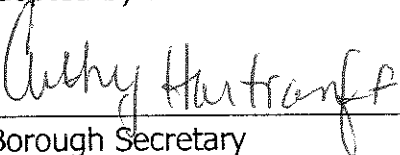

Motion made by Michael McKenna to move forward with the purchase of an artificial tree with the funds to come from the BBRP fund, contingency fund, and memorial fund. Motion died due to lack of a second.

Motion made by Gil Stauffer to table this item until the next meeting to look for a possible locations to plant a live tree and have Mr. Lott take the figures to the Lehigh Valley Chamber and see if they would be willing to cover any off the costs for lights and decorations. Motion carried 7-0. Council and staff will meet at Dimmick Park prior to the October 1, 2018, budget session, at 5:30 p.m., to look for a possible location for the live tree. The public is welcome to attend.

HELLERTOWN POLICE DEPARTMENT MONTHLY REPORT

August 2018

This is the monthly report for the Hellertown Police Department from August 1st through August 31st, 2018.

During the month of August the Police received 372 calls for service. We did receive 2 Theft, 5 Domestic/Assault, 1 Fraud, 1 Attempted Burglary, and 16 traffic collision calls. We wrote 106 citations.

The Police Department filed 54 charges including 19 for Narcotics Possession, 10 for DUI, 8 for Theft, 1 for Burglary and 4 for Possession with the Intent to Deliver Narcotics.

In the month of August we had our annual tent at community day which was received well. This year we handed out items related to bullying and drug use. Our officers are participating in the 7-11 operation chill, where an officer hands out a coupon for a free slurpee or hot dog to any child seen displaying good behavior. We had another busy month arrest wise. Musikfest didn't bring too much trouble for us but we did see a spike in DUI arrests. The guys did an outstanding job investigating numerous cases in August that led to 9 Theft arrests, 1 Burglary arrest and 4 PWI arrests. These cases can take a lot of time and manpower but the results were fantastic. Any questions just call or stop in.

Chief Robert Shupp III
