VII. Courtesies of the Floor

A. Pre-Scheduled Appearance- None

B. Agenda Items- None

C. Non-Agenda Items

Matthew Ferrante, 316 Northampton Street, attended the meeting after he received an email regarding placement of a Public Works Facility on the site across from his home. He expressed concern with taking away an area where the neighborhood children play and it is located in a residential setting with the possibility of decreased home values. Mr. Ferrante also felt that assisting local businesses impacted by COVID would be a better way to spend the funds rather than a new facility.

Mr. Rieger- A presentation on this matter is on the agenda for the January 19, 2021, meeting.

All Capital Projects were put on hold in 2020 due to COVID. These projects will be starting again in 2021.

Unlike the Federal Government or State Government, local municipalities have different restrictions and cannot issue checks to private businesses. The Borough supports the Lehigh Valley Chamber who has partnered with Northampton County to issue over \$100,000.00 in COVID grants to Hellertown businesses.

In the 2019 Presentation for the Public Works facility, the Borough had shown that there was \$500,000.00 in savings, a \$100,000.00 grant from the State, and \$1,000.00 from the Chamber allocated to this project.

Mr. Stauffer- The Public Works Facility would be placed in the area formerly occupied by the school. All of the green space and ballfield would remain.

Bill Broun, 205 East Saucon Street, acknowledged that the email mentioned was from him to the neighborhood group. He still doesn't see how a new Public Works Facility will benefit the community. If the facility does need to be installed, he is requesting another asset be added to benefit the neighborhood.

Richard Weddigen, 600 Northampton Street, would like to see Municipal Use better defined in the proposed amendment to the Zoning Ordinance.

Mr. Rieger- Currently, Municipal Use is not defined in any ordinance. The Municipal Use as defined in this ordinance will have to follow the criteria outlined in each of the Zoning Districts.

X. Unfinished Business

1. Discussion on 330 Linden Street Site Plan

- i. Rescind Prior Denial of the Waiver Request
- ii. Rescind Prior Denial of Waiver of Preliminary Plan
- iii. Consider Waiver of SALDO 390-29 b (8), Off Street Parking (Allowing Stacked Parking) and SALDO 390-9, Preliminary Plan
- iv. Consider Preliminary Plan

Mr. Corriere- This item was presented before the Planning Commission in October 2020. The applicant requested two waivers: SALDO 390-29 b (8), Stacked Parking, and SALDO 390-9, Preliminary Plan. The Planning Commission recommended Council grant these waivers. Council discussed the plan at their October 19, 2020, meeting and denied the preliminary plan. The applicant did not attend the meeting as they planned to update the plan before coming to Council. The applicant has provided an updated plan per Planning Commission comments and are asking that Council rescind their previous denial and consider this plan and waiver request.

Mr. Burke- We have reduced the commercial space to 1,100 square feet, removed the deck and stairwell that cross the property line, and updated the plan to include the discussed interior entrances. The reduction in commercial space allows for a parking row designated to each unit and the commercial space would have 6 spaces and 1 handicap space. That is 5 spaces more than required by the calculation.

Mr. Yonney inquired about snow removal and garbage can placement at the property.

Mr. Burke- Snow would be removed with a Bobcat and dump truck and then taken off site. Maintenance personnel will take the garbage cans curbside for pickup and will return to enclosure.

Mrs. Hartranft inquired if a Request for Extension was submitted and if payment was made on outstanding invoices.

Mr. Donchez- I will be sending the request to Mr. Corriere tomorrow. The extension would be until February 28, 2021. Regarding the invoices, Mr. Burke did make payment to Mr. Russo this afternoon.

Motion made by Philip Weber, seconded by Gil Stauffer to rescind Unfinished Business 1 (i) and (ii) contingent upon a signed extension agreement. Motion carried 7-0.

Mr. Smith- The revised plan does address comments from the Planning Commission and Engineer's Letter. The only item not shown is the enclosure for trash.

Motion made by Philip Weber, seconded by Earl Hill, to grant waiver of SALDO 390-9, Preliminary/Final Plan, and SALDO 390-29 b (8), Stacked Parking. Motion carried 7-0.

Motion made by Gil Stauffer, seconded by Earl Hill, to approve the Preliminary/Final Plan contingent upon Engineer's Letter dated October 8, 2020, and the addition of trash enclosure on plan prior to signatures. Motion carried 7-0.

XI. New Business

1. Outstanding Obligations- Approval of Payments

Motion made by Michael McKenna, seconded by Earl Hill, to approve the payments. Motion carried 7-0.

2. Adoption of Resolution 21-01, Appointments of Officials, Boards, Committees, Council Delegates, Meeting Dates, and Other Terms and Conditions - Council Action

Mr. Rieger- Matthew Marcincin will be the Council Liaison for Saucon Valley Rail Trail Committee and I will be the Council Liaison for Saucon Valley Partnership.

There are still vacancies on the Civil Service Commission and Rental Property Maintenance Appeals Board. James Hill volunteered to be on the Rental Property Maintenance Appeals Board. Cathy will check to make sure Council members are eligible to serve on that board.

Motion made by Michael McKenna, seconded by Earl Hill, to adopt Resolution 21-01 as edited. Motion carried 7-0.

3. Adoption of Ordinance 833, Zoning and SALDO Updates- Council Action

Mr. Corriere- This ordinance moves design standards into criteria to enter the FRO, requires façade and entrances to face a public street, assesses recreation fees for commercial projects, defines "unit" for assisted living facilities, and adds municipal use in all zoning districts.

Mr. Rieger- This proposed ordinance has been duly advertised and has been reviewed multiple times by the Planning Commission.

Motion made by Earl Hill, seconded by Gil Stauffer, to adopt Ordinance 833. Motion carried 7-0.

4. Discussion on Steel Club Phase II Review Letter- Council Action

Mr. Smith- The LVPC reviewed the plans for Phase II of the plans and provided comments. They are strongly encouraging the installation of sidewalks that would intersect with the Borough, all landscaping to be native and natural, and stormwater management must comply with Act 167.

Mr. Rieger reminded the public that the project is not located in the Borough and we receive these letters as a courtesy. Council can send any comments to Lower Saucon Township for consideration.

Mr. Stauffer and Mrs. Hartranft expressed their concerns regarding the additional 811 daily trips being added to Borough roads and line of sight issues at the Apple Street and Easton Road intersection.

Mr. Smith recommended Council draft a letter asking Lower Saucon Township to recommend an additional study.

Motion made by Gil Stauffer, seconded by Earl Hill, to have Mrs. Hartranft draft a letter to Lower Saucon Township requesting a traffic study be completed at the intersection of Apple Street and Easton Road, ask the developer to complete possible improvements, and ask for a reduction in stormwater runoff in excess of those required by Act 167. Motion carried 7-0.

5. Discussion on Dewey Fire Company 2019 Audit and Financial Statements-
Council Action

Mr. Stauffer acknowledged that this was a much better audit than in the past and thanked the new management for their hard work.

Mr. Rieger- Acceptance of this audit will allow Dewey Fire Company to receive the Borough donations to the EMS and toward the fireworks.

Motion made by Earl Hill, seconded by Gil Stauffer, to accept the Dewey Fire Company 2019 Audit and Financial Statements. Motion carried 6-0 (Mr. McKenna abstained).

6. Discussion on Request to Waive Sanitation Fee at Dewey Fire Company and
Social Hall- Council Action

Mr. Rieger- The Borough does donate toward the EMS and fireworks. We also remove all garbage that is generated from the carnival at no cost to Dewey. The social hall is technically a business and I feel granting this request would create issues that were rectified years ago.

Mrs. Hartranft- Staff is not in favor of honoring this request. Instead, Council could consider a partial reimbursement for the time that the Social Hall was closed for repair. Other non-profits do pay for sanitation based on their impact.

Motion made by Gil Stauffer to table this item. Motion carried 7-0.

XII Announcements

Mr. Rieger- Due to the holiday, the next meeting will be held on Tuesday, January 19, 2021.

XIII. Executive Session- None

HELLERTOWN POLICE DEPARTMENT MONTHLY REPORT

November 2020

This is the monthly report for the Hellertown Police Department from November 1st through November 30th, 2020.

During the month of November the Police received 413 calls for service. We did receive 4 Theft, 6 Domestic/Assault, 3 Fraud/Counterfeiting, 1 Robbery, 1 Motor Vehicle Theft, and 2 traffic collision calls. We wrote 38 citations.

The Police Department filed 13 charges including 7 for Narcotics Possession, 3 for DUI and 3 for Fraud.

November was a little above average for the number of calls. We have been working on some of the higher profile cases we have with the District Attorney's office. The uptick in Covid cases has definitely put everyone on edge a little more but we continue to operate under our protocols. If you need anything please feel free to stop in or call.

Chief Robert Shupp III
