

# PUBLIC MEETING #2

## Saucon Creek Greenway Trail and Feasibility Study

**SEPTEMBER 26, 2023 - 6:30PM**

**685 MAIN STREET**

**HELLERTOWN BOROUGH HALL**

**Calling all Hellertown Residents.** Here is your opportunity to help shape the future uses along the Saucon Greenway. First, take our online survey. Next, visit us at Community Days. Then, join us as Barry Isett and Wildlands Conservancy reveal the survey results, and present concept plans for the Saucon Creek Greenway! Areas of focus include the Saucon Rail Trail, Saucon Creek, Thomas Iron Site, Water Street Park, Hellertown Marsh, Grist Mill Park, and Tumminello Park. Following the presentation, attendees are encouraged to interact with the design team, review the proposed plans, ask questions, and provide feedback. A final plan will be presented in November.

**TAKE OUR PUBLIC SURVEY!**
