Sidewalk & Curb Inspection Application

PLEASE PRINT LEGIBLY AND FILL OUT FORM COMPLETELY

Per Ordinance #683, adopted by the Borough of Hellertown Council, requiring property owners to have an inspection of sidewalk, curb, and driveway apron prior to sale of property. Any sale or transfer of a deeded property requires an inspection. If no sidewalk is present, a new sidewalk must be installed prior to sale. The Code Enforcement Officer can only issue Inspection Reports with the property owner, not the buyer. A fee of \$25.00 per property must be paid before inspection can be done.
