Municipal Recycling Collection

Hellertown Borough has switched to "Single Stream Recycling". Thanks to new technology, everything that your household recycles will now go in the same container. No need to separate your papers, cardboard and plastics, etc.

Single Stream Recycling Collection

Residential recycling is collected curbside every other week on Tuesday. Residential recycling is single-stream which means that you may mix all recyclable materials into one container - there is no need to separate materials or even tie-or-bag newspapers.
